A NIGHT TO SHINE!

Many of you know Pal-O-Mine student, Shane McCue. Shane is always giving others words of encouragement, lending a hand or sharing his plans for the day.

On February 9th, Shane attended one of the Tim Tebow Foundation's, *A Night to Shine*. It was an unforgettable prom night experience, centered on God's love, for people with special needs ages 14 and older. Shane looked very handsome in his tuxedo and rumor has it that he is quite the dancer. Shine on Shane!

YOU HERD RIGHT!

Pal-O-Mine would like to welcome Pecan to the herd. He is an 11yr old Palomino Quarter horse gelding. Pecan has assimilated nicely into the lesson program and is fast becoming a barn favorite.

EQUINE SCIENCE PROGRAM

Our Introduction to Equine Science & Small Animal Care program has officially begun. This 6-week course walks participants through the history of the horse, horse breeds, horse anatomy and small farm animal care.

This experiential course, facilitated by Dana Grimaldi, takes a hands on approach to learning by bringing it back to the barn in every class.

THANK YOU TO:

Acme Window Treatments
Jeanne Budnick
K.P. Edwards Materials
Larsen Home Improvement
A World of Pink
Tereso Juarez, Pam Hickey,
Melvin Coreas and Dana Grimaldi

for creating and preparing a space
for our Equine Science Program to
call home.

Pal-O-Mine Continues to Grow....

Did you know there are ways to help Pal-O-Mine's future?

Your Retirement Minimum Distribution

Under the new tax law, you can only deduct charitable contributions if you ITEMIZE. If you do not itemize your tax deductions, consider having the contribution deducted from your Retirement Minimum Distribution, thus reducing your "taxable income."

Stock Transfers

Making a donation in the form of a stock transfer is extremely easy and may result in a higher tax deduction than cash.
