

Equine Photography

Horses and their natural surroundings make beautiful subjects for photographs whether you are new to photography or have experience taking pictures. Each 6-session course will provide the opportunity learn or refresh your understanding of basic camera functions, composition and exposure basics, using horses and nature as the backdrop for your photographs. Cameras will be available, however if you have your own, you are welcome to bring it with you. The cost is \$210 for each 6-week course. Classes will be held on Wednesdays from 2:30 pm - 4:00 pm.
