

# Pal-O-Mine Equestrian Invites You to Join Us for a Special Benefit Concert by Scott Helmer October 13, 2019

Scott Helmer was a successful businessman when the financial market began to collapse in 2008. In a desperate attempt to save his business, he made some unlawful choices that cost him his family, his career, and his self-respect. He was on the verge of self-destruction when he decided not to give up. Instead, Scott picked up his guitar and decided to use his talents to give back and spread the message that there is always hope. Since 2012 his fundraising concerts have helped raise more than \$2,000,000 for good causes across America.
