The Pal-O-Mine

Growth & Gratitude Grove

Our New Tree and Garden Sponsorship Program

We invite you to put roots down at Pal-O-Mine by purchasing a tree, shrub or garden

Honor a loved one, celebrate a milestone, or recognize something meaningful by purchasing a tree, shrub, or garden to be planted on our nonprofit, 13-acre property.

Your gift becomes part of a growing landscape of beauty and purpose, where individuals with disabilities gain valuable vocational training. Planting and caring for these living memorials will provide skill-building and independence for our interns while creating a lasting tribute to your loved one. They will also provide fresh greenery and blooms for our working flower farm's bouquet CSA – supporting hands-on job training.

Each living tribute is:

- **Thoughtfully planted and cared for on our grounds**
- **Given a plaque to describe the tribute**
- **Recognized on our website**

You have 3 categories to choose from: Tree, Shrub, or Themed Garden

TREE We chose trees that have multiple benefits to beautify and provide habitat for our birds and pollinators.

SHRUB/FOLIAGE The varieties chosen will provide 3 seasons of beauty and growth and will be part of a natural hedgerow along the border of the farm property.

THEMED GARDEN We will name a garden of your choosing on the farm property. It can be an existing garden or a new garden to commemorate a loved one, an accomplishment, or other tribute.
